decoration & art

MoTip Carat is a high quality decorative lacquer, with the properties of a car refinishing lacquer. However, with the advantage that the application is so user-friendly that now everyone can benefit from the advantages of a spray can.

By developing the formulations for the Carat lacquer, our R & D Department used all available knowledge of the car refinishing lacquer technology.

A few characteristics of Carat Lacquer:

- Very fast drying (dust free in 5 minutes)
- Can be applied wet-in-wet, very handy to make nice transitions
- Excellent vertical stability, so hardly any dripping
- Scratch free and shock proof
- Excellent flow resulting in a very smooth surface
